VILT COURSE – 4 Days

Day 1

- Course overview
- Introduction of participants
- Module M00- Overview of EA
- Module 0- Course introduction
- Module 1- TOGAF 9.2 overview
- Case study 1 – Winchester house
- Case study 2 – Paris Guide
- Module 2-TOGAF 9.2 components
- Module 3-Introduction to ADM
- Module 4-Enterprise Continuum
- Module 5-Architcture repository
- Module 6-Architecture content framework
- Module 7-Metamodel
- EA Tool Demo for Repository, Content, Meta model and IAV- Impact Analysis Visualization clarification
- Quiz 1

Day 2

- Wakeup Quiz 1
- Module 8-Preliminary Phase of ADM
- Archinsurance Case study introduction
- Case study 3- Drivers
- Module 9-Architecture Governance
- Module 10- Business Scenarios

- Module 11-Stakeholder management
- Module 12-Views and viewpoints
- Module 13-Building Blocks
- Module 14-Implementation support
- Case study 4 - Business transformation readiness assessment

Day 3

- Wakeup Quiz 2
- Module 15- Phase A Vision
- Module 16-Phase B Business architecture
- Case study 5 - Business architecture
- Module 16A-Phase B Business architecture views and viewpoints
- Module 17-Phase C Overview of IS architecture
- Module 18-Phase C- Data architecture
- Module 18A- Data architecture views and viewpoints
- Module 19-I3RM
- Module 20-Phase C-Application architecture
- Module 20A-Application architecture views and viewpoints
- Module 21-Foundation architecture
- Module 22-Phase D Technology architecture
- Module 22A-Technology architecture views and viewpoints
- Module 23- Migration planning
- Module 24-Phase E-Opportunities and solutions
- Module 25-Phase F Migration planning

- Case study 6- Consolidated gap analysis and dependencies
- Mock Test Part 2

Day 4

- Wakeup Quiz 3
- Module26-Phase G Implementation governance
- Module 27-Phase H Architecture change management
- Module 28- Architecture requirements management
- Module 29-Architecture partitioning
- Module 30-Iterations
- Module 31-Securityarchitecture
- Module 33-Architecture maturity model
- Module 34-Architecture skills framework
- Q & A
- Clarification
- Conclusion and feedback
- Case study 7 - EA/ SA
- Mock Test Part1
